Chunky Lace Scarf

Materials

Use 8 to 12 x50g balls of Twilleys Freedom Chunky 100% Wool. Other Chunky Yarns with matching ball band tension may be substituted.

Pair 10mm (UK 000, US 15) knitting needles (or a circular needle if preferred) Stitch holder

Yarn quantities are based on average requirements and are subject to personal taste (as to how long you require your scarf to be).

Notes

To achieve the scallops you will have to complete two halves to your desired length with a seam at the back of the neck. (If you made it in one you would only get scallops on one edge, not two).

Increase or decrease the width of your scarf in multiples of 10 sts.

Tension

10 stitches and 14 rows = 10cm/4in square over stocking stitch using Twilleys Freedom on 10mm (UK 000, US 15) needles (ball band tension) or the size required to give the correct tension.

Always check tension carefully and adjust needle sizes throughout if necessary.

Using 10mm needles **cast on a total of 45 sts.** (Any no of sts divisible by 10sts plus 5 edge sts may be used).

Rep rows 1 to 6 until you have **half** the desired scarf length. Put work on a holder in order that you may repeat another half.

Join your two halves together by either grafting the two sections together with the kitchener stitch or the three needle bind off method.
