TENSION

For results similar to mine, look for a ball band tension in stockinette stitch of: 10sts & 14 rows to 10cm or 4in, using 10mm, US:15 needles.

BEGIN

Using 10mm needles cast on 22sts or any multiple of 3sts plus 1.

If you are unsure how to cast on, check out this video:

Row 1: K1, * p2, k1, rep * to the end of the work.

Row 2: K1, * 2-St RC, p1, rep * to last 3 sts. 2-St RC, k1.

Repeat rows 1&2 to build up the main pattern

ABBREVIATIONS

2-St RC - two stitch right cross. Knit the second st but do not remove from the left needle. Next knit the first st, then remove both sts from the left needle. A cable stitch pattern is achieved when working stitches out of sequence. This can also be done using a cable needle. Sl the next st onto a cable needle and hold at the back of the work. K1 from the left needle. Slip the st from the Cable needle back onto the left needle and k1.

K2tog - knit 2 sts together.

K3tog - knit 3 sts together.

K2togtbl - knit 2 sts together through the back loops.

St(s) - stitch or stitches.
